

PRODUCT DATA SHEET

HEX'GEL

Cleaning agent for graffiti based on a biodegradable gel specially destined for films of the type anti-graffiti.

COMPOSITION:

- Dibasic ester
- Cellulose ether

CHARACTERISTICS:

- Colourless liquid

USER'S GUIDE:

- Use at room temperature.
- As a precaution use in a ventilated environment.
- Refer to the health and safety data sheet.
- As a precaution wear protective goggles and gloves resistant to chemical products.
- Check the compatibility of the substrate with Hex'Gel beforehand by carrying out a test on a small area. Soak with Hex'Gel and leave for about 5 minutes. Check whether the substrate has not deteriorated.
- To clean anti-graffiti films proceed as follows:
 - 1- Apply the Hex'Gel to the marked areas of the film. To do this, use a clean cloth soaked with Hex'Gel. You may also vaporise Hex'Gel directly onto the surface to be cleaned.
 - 2- Leave the Hex'Gel for about 5 minutes. If the surface dries during that time, repeat the preceding operation (step 1).
 - 3- Rub with a cloth until all of the graffiti has been removed from the film.
 - 4- If any traces of the graffiti remain visible on the film, repeat steps 1 to 3, until the graffiti has been completely removed.
 - 5- Complete the procedure by cleaning the surface with methylated spirit or a degreaser of the type Hexis'O.

STORAGE:

- Keep container closed in a cool and ventilated environment away from heat sources and sparks. Do not smoke.
- Shelf life: 1 year if kept unopened in the original container.

Note:

Because of the great variety of substrates and possible application methods the installer must examine the suitability of the media for each application.

The methods of measuring for the standards quoted above are the basis for the development of our own measuring methods which are available on request (partial application). You are invited to enquire for the latest instructions in force.

All published data are based on measurements carried out regularly under laboratory conditions. They do, however, not constitute a warranty, representation or promise, express or implied as to the condition, quality, merchantability, fitness for a product, or that such product will satisfy any requirement for a specific property or capacity or special methods, all such warranties being hereby expressly disclaimed. The seller assumes no liability for claims beyond the replacement value of any product proven to be defective in material or workmanship and is in no way liable for direct, indirect, special, incidental damages or consequential loss including without limitation lost profits or loss of use, whether based on contract, tort or any other legal theory.
